

FUNDRAISING WITH CHILDREN

Cute ideas to raise money with your little ones; at playgroup, school, or home.

Children were made to wear their clothes backwards, dress up as superheroes, and run ten times around a playing field without a second thought!

Fundraising with children can be great fun and – as an added bonus – is a great way to teach them about community and helping others.

Top tip

Kids have so much energy, so why not organise a sponsored swim, walk, or dance session? Or how about a community car wash?

Visit actionforchildren.org.uk/how-to-help/fundraising-ideas for ideas and free resources.

HOW

ACTION FOR CHILDREN

WORKS

Here's a few ideas to get your fundraising underway...

Wiggling Around

The Very Hungry Caterpillar™ is a children's favourite, and you can now sign up to take part in his favourite fundraising event – the Giant Wiggle! Our pack will help you tell the story, teach reading, encourage healthy eating, boost creativity, and finish by wiggling in a caterpillar conga line around your nursery playground or front room.

Visit actionforchildren.org.uk/giantwiggle for more information.

Splat!

Put some brave teachers in the stocks, at the summer BBQ, and charge pupils to throw wet sponges them!

Bring and buy brilliance

Looking to have a clearout? Our My Swap'n'Shop pack can help! Children always have old toys and books that some of their classmates might like.

Visit actionforchildren.org.uk/myswapnshop for more information.

Onesie day

Who doesn't love being snuggled up in a onesie? Speak to your child's school or nursery and ask if pupils can come into school in their favourite onesie (or PJ's) for the day, in return for a donation to Action for Children.

Get in touch

We love hearing from our supporters, so we can help your fundraising as much as we can.
